Chateau Musar

Chateau Musar is one of Lebanon's most celebrated wineries. Established in 1930 in the Beqaa Valley, where vines were first planted 6,000 years ago, the winery is inspired by Bordeaux. The wines, made with minimal sulphur and are neither fined or filtered, are vegetarian and vegan friendly. Celebrated for their complexity and uniqueness, Chateau Musar's wines have achieved global acclaim, appearing on the menus of the world's finest restaurants and cultivating a loyal following among wine enthusiasts.
